

Original photo: I took this photo while out walking our dog.

First modification: I enhanced the photo by changing the brightness/contrast of the overall photo as well as the color/saturation of the overall photo. I also overlayed the moon and snowflakes.

Final modified photo: : I enhanced the photo by changing the brightness/contrast of the overall photo as well as the color/saturation of the overall photo. I also added the moon and snowflakes. I added a moon. I added Santa with his reindeer to hide the car. I added the Christmas Tree to hide the stop sign.
